After reviewing the following Disclosures, Terms and Agreements and Privacy Statements, Please complete the application following.

Disclosures

This Grand Bank (On-Line Banking) Agreement and Disclosure ("the Agreement") states the terms and conditions governing basic internet banking services (the "Services" or "On-Line Banking Services") offered by Grand Bank or any third party service providers. These terms and conditions are in addition to those that apply to any accounts you have with us or any other services you obtain from us or our third party providers. By using any of the On-Line Banking Services, you agree to abide by the terms and conditions of this Agreement. The terms "we", "us" and "our" and "Bank" refer to Grand Bank. "You" refers to each person who enrolls for On-Line Banking Services and has a PASSWORD (Personal Identification Number), and each person who accesses our internet banking services using your Password. The term "business days" means Monday through Friday, excluding Saturday, Sunday and Bank Holidays (Transfers made after 5:00 p.m. will be processed on the next business day). Your On-Line Banking Services and each of your accounts are also governed by the applicable Disclosure, Rates and Fee Schedules provided by the Bank in your New Account packet or in the supplemental agreements you accept with respect to specific on-line banking services, or as each may be modified from time to time. In the event of conflict between this disclosure and the Grand Bank Deposit Agreement in effect at the time, the Deposit Agreement will govern.

You are responsible for paying any fees associated with On-Line Banking as outlined in the "Fees and Services" brochure or in the supplemental agreements for specific on-line banking services, as well as any telephone charges or fees incurred by accessing On-Line Banking Services.

Your initial use of On-Line Banking Services constitutes your acceptance and agreement to be bound by all the terms and conditions of this Agreement and acknowledges your receipt and understanding of this Agreement.

The Bank is entitled to act on instructions received through On-Line Banking under your Password and without inquiring into the identity of the person using your Password. You are liable for all transactions made or authorized using your Password. The Bank has no responsibility for establishing the identity of any person using your Password. If you give

your Password to anyone, you do so at your own risk since anyone to whom you give your On-Line Banking Password or other means of access will have full access to your accounts even if you attempt to limit that person's authority. You must notify the Bank that your Password has been lost, stolen, or otherwise compromised and should not be honored and must be disabled. Call us immediately at (972) 735-1000 during normal banking hours. After hours you may send email through our website, or write us at Grand Bank, P.O. Box 700337, Dallas, TX 75370. **Do not include your Password in any correspondence.**

Quickly telephoning us is the best way of reducing your possible losses. If an account is jointly owned, one holder of the joint account can enroll for On-Line Banking Services with one Password issued. You may not designate any account that requires more than one signature for withdrawals. You are liable for all transactions that any of you make or authorize, even if the person you authorize exceeds your authorization.

We will not be liable for the following:

1. If, through no fault of ours, you do not have enough available money in the account from which a payment or transfer is to be made, or if the account has been closed or is not in good standing, or if we reverse a payment or transfer because of insufficient funds.
2. If any payment or transfer would go over the credit limit of your account.
3. If your equipment or ours was not working properly and the breakdown should have been apparent to you when you attempted to conduct the transaction.
4. If you have not given us complete, correct or current account numbers or other identifying information so that we can properly credit your account or otherwise complete the transaction.
5. If you do not properly follow our instructions or if you provide us with wrong or inaccurate information or fail to correct or tell us about any inaccuracy of which you are aware.
6. If the money in the account from which a payment or transfer is to be made is subject to legal process or other claim which restricts the transaction.
7. If the transaction(s) you are requesting violate a law, rule, regulation or agreement to which the Bank is subject.
8. If circumstances or persons beyond our control prevent, delay, intercept or alter the transaction, despite reasonable precautions that we have taken.

You recognize that transmission of information and data via the internet is inherently insecure, and unauthorized persons may through "hacking" or otherwise access information allowing them to gather information about you or access your account(s). While the Bank will take reasonable precautions to implement and maintain security measures restricting access by unauthorized persons, the Bank cannot guarantee internet security. Further, you recognize that

many of the On-Line Banking Services offered or to be offered by the Bank are in fact provided by third party service providers. While the Bank will take reasonable precautions to select qualified service providers, and seeks to obtain appropriate assurances of security and confidentiality from these service providers, the Bank cannot and does not guarantee the performance, suitability or security of these third party service providers. You agree that the Bank shall not be liable or responsible for any unauthorized access to data or information relating to you or your account(s) or any breach of the duties and obligations of such third party service providers unless such access or breach results solely from the Bank's gross negligence or willful misconduct.

You hereby release the Bank from any liability and agree not to make any claim or bring any action against us for honoring or allowing any actions or transactions where you have authorized the person performing the action or transaction to use your account(s) and/or you have given your Password to such a person, or, in the case of a jointly held account, such person is one of the owners of the account. You agree to indemnify the Bank and hold it harmless from and against any and all liability (including but not limited to reasonable attorney fees) arising from any such claims or actions.

The Bank has the right to modify or terminate this agreement at any time. Specifically, the Bank reserves the right to terminate this agreement for nonuse in accordance with its procedures, or in the event the Bank elects, in its sole and absolute discretion, to terminate its On-Line Banking Services. We will comply with any notice requirements applicable under law for such changes or termination.

If we terminate this Agreement, no further On-Line Banking transfers or bill payments, if applicable, will be made, including but not limited to any payments or transfers scheduled in advance or any pre-authorized recurring payment or transfers. If we modify this Agreement, your continued use of On-Line Banking Services will constitute your acceptance of such changes in each instance. Persons will only be able to access accounts for which they are designated as "owner."
